Annual Report

Summary

of

Village of Phoenix

GP-0-10-002 Compliance Measures
For
2013-2014 Reporting Year

May 16, 2014

Minimum Control Measure 1: Public Education and Outreach

- The Village contracted with CNYRPDB to provide stormwater trainings, mailings, articles, and commercials.

Minimum Control Measure 2: Public Involvement/Participation

- The Annual Report and SWMP are on file with the Village Clerk and available for public review and comment.
- The 2013-2014 Report will be presented to the public via the internet, beginning May 19, 2014 and will include a provision for comments.
- The Village supported and promoted the annual volunteer spring clean-up.
- No stormwater related comments were received by the Village during the reporting year.

Minimum Control Measure 3: Illicit Discharge Detection and Elimination

- No illegal sewer connections to the storm system were found.
- Dry weather inspection of five Village outfalls was performed. No illicit connections were found.

Minimum Control Measure 4: Construction Site Stormwater Runoff Control

- There were no construction projects in the Village during the reporting year requiring GP-0-10-001 permit coverage, or inspection.

Minimum Control Measure 5: Post-Construction Stormwater Management

- There were no projects undertaken, or proposed in the Village during the reporting year requiring GP-0-10-001 permit coverage, and therefore no post-construction management practices were reviewed, installed, or inspected.

Minimum Control Measure 6: Pollution Prevention/Good Housekeeping for Municipal Operations

- The Village Department of Public Works:
 - Cleaned ¼ miles of ditches
 - Swept 1.5 acres of parking lots
 - Swept 5 miles of streets
 - Inspected and cleaned 25 catch basins
 - Recycled 100 gallons of used oil
 - Recycled 6 truck batteries
 - Composted 175 cubic yards of yard waste
- The Village continues with multiple projects to repair and/or replace sanitary sewers and storm sewers to reduce infiltration and inflow into the sanitary sewer system. This will act to reduce overflow discharges from the Village Wastewater Treatment Plant into the Oswego River.

MS4 Municipal Compliance Certification(MCC) Form

MCC form for period ending March 9, 2014

Name of MS4: VILLAGE OF PHOENIX

SPDES ID: NYR20A244

Section 4 - Certification Statement

"I certify under penalty of law that this document and all attachments were prepared under my direction or supervision in accordance with a system designed to assure that qualified personnel properly gathered and evaluated the information submitted. Based on my inquiry of the person or persons who manage the system, or those persons directly responsible for gathering the information, the information submitted is, the best of my knowledge and belief, true, accurate, and complete. I am aware that there are significant penalties for submitting false information, including the possibility of fine and imprisonment for knowing violations."

This form must be signed by either a principal executive officer or ranking elected official, or duly authorized representative of that person as described in GP-0-08-002 Part VI.J.

First Name: Anthony MI: Last Name: Fratto

Title (Clearly print title of individual signing report): Mayor

Signature: [Handwritten Signature]

Date: 5/28/2014

Send completed form and any attachments to the DEC Central Office at:

MS4 Permit Coordinator
Division of Water
4th Floor
625 Broadway
Albany, New York 12233-3505

---	---	---	---	---	---	---	---	---

4. Evaluating Progress Toward Measurable Goals MCM 1

Use this page to report on your progress and project plans toward achieving measurable goals identified in your Stormwater Management Program Plan (SWMPP), including requirements in Part III.C.1. Submit additional pages as needed.

A. Briefly summarize the Measurable Goal identified in the SWMPP in this reporting period.

Maintain regional stormwater website and information library for reference and use by regulated MS4s and the general public in the SUA.

B. Briefly summarize the observations that indicated the overall effectiveness of this Measurable Goal.

The stormwater website is successfully functioning as a public education tool based on the 3,309 total recorded "hits" during the current reporting period, including 126 hits to the online library. It should be noted that last years statistics were extrapolated from 3 months of data due to the timing of a server change. This years statistics are the most accurate and representative of real visitors to the site and should provide the baseline for comparison going forward.

C. How many times was this observation measured or evaluated in this reporting period?

			1
--	--	--	---

(ex.: samples/participants/events)

D. Has your MS4 made progress toward this Measurable Goal during this reporting period?
 Yes No
E. Is your MS4 on schedule to meet the deadline set forth in the SWMPP?
 Yes No
F. Briefly summarize the stormwater activities planned to meet the goals of this MCM during the next reporting cycle (including an implementation schedule).

New information will continuously be added to the regional stormwater website and dated information will be removed. Content will continue to be restructured to facilitate improved ease of access. The website will be promoted as an educational tool for the general public and stormwater professionals in both the private and public sectors.

MS4 Annual Report Form

4. Evaluating Progress Toward Measurable Goals MCM 1

Use this page to report on your progress and project plans toward achieving measurable goals identified in your Stormwater Management Program Plan (SWMPP), including requirements in Part III.C.1. Submit additional pages as needed.

A. Briefly summarize the Measurable Goal identified in the SWMPP in this reporting period.

Syracuse Post Standard Stormwater Pullout: Develop a 4-page pullout to be distributed in the main section of the daily Syracuse Post Standard newspaper that focuses on stormwater processes, impacts, issues of concern, primary pollutants of concern, and citizen generated solutions.

B. Briefly summarize the observations that indicated the overall effectiveness of this Measurable Goal.

The pullout was published on April 16, 2013. As reported by the Post Standard, home delivery and point of sale editions sold that day totaled 200,000.

C. How many times was this observation measured or evaluated in this reporting period?

			1
--	--	--	---

(ex.: samples/participants/events)

D. Has your MS4 made progress toward this Measurable Goal during this reporting period?

Yes No

E. Is your MS4 on schedule to meet the deadline set forth in the SWMPP?

Yes No

F. Briefly summarize the stormwater activities planned to meet the goals of this MCM during the next reporting cycle (including an implementation schedule).

A similar 4-page pullout will be published in the Syracuse Post Standard on Tuesday, April 22, 2014. The pullout will also be available electronically on E-Post Standard and the CNY stormwater website. The publication will be distributed in PDF format for inclusion on municipal websites or reprint for hard copy distribution at municipal buildings and public events.

MS4 Annual Report Form

This report is being submitted for the reporting period ending March 9,

4. Evaluating Progress Toward Measurable Goals MCM 1

Use this page to report on your progress and project plans toward achieving measurable goals identified in your Stormwater Management Program Plan (SWMPP), including requirements in Part III.C.1. Submit additional pages as needed.

A. Briefly summarize the Measurable Goal identified in the SWMPP in this reporting period.

A seasonally themed, electronic newsletter will be developed and distributed to interested individuals. The newsletter will maintain a focus on primary pollutants of concern, stormwater processes, and will offer advice on reducing negative water quality impacts through simple actions. The newsletter will encourage participation in locally sponsored events that support stormwater management and protection efforts.

B. Briefly summarize the observations that indicated the overall effectiveness of this Measurable Goal.

A distribution database of approximately 100 individuals was developed and continually updated by soliciting interested recipients at public events, on-line, and through direct contact and promotion with existing organizations and groups with a complimentary focus. A standard template was developed for the "Garden and Gutters" newsletter. Positive feedback and requests for additional information on various topics addressed in the newsletters were received following the distribution of each edition. Several watershed groups outside of the SUA requested permission to distribute the publication to their members.

C. How many times was this observation measured or evaluated in this reporting period?

		2	0
--	--	---	---

(ex.: samples/participants/events)

D. Has your MS4 made progress toward this Measurable Goal during this reporting period?
 Yes No
E. Is your MS4 on schedule to meet the deadline set forth in the SWMPP?
 Yes No
F. Briefly summarize the stormwater activities planned to meet the goals of this MCM during the next reporting cycle (including an implementation schedule).

Gardens and Gutters will continue to be distributed electronically in 2014. Additional efforts will be made to grow the distribution list. The newsletter will also be posted on the CNY stormwater website and made available in PDF format for inclusion on municipal websites, or for reprint and hard copy distribution.

MS4 Annual Report Form

This report is being submitted for the reporting period ending March 9,

2	0	1	4
---	---	---	---

If submitting this form as part of a joint report on behalf of a coalition leave SPDES ID blank.

4. Evaluating Progress Toward Measurable Goals MCM 1

Use this page to report on your progress and project plans toward achieving measurable goals identified in your Stormwater Management Program Plan (SWMPP), including requirements in Part III.C.1. Submit additional pages as needed.

A. Briefly summarize the Measurable Goal identified in the SWMPP in this reporting period.

Electronic Outreach to CNY Contractors & Developers: Provide direct information on topics of interest to construction developers with a focus on current construction permit requirements and an additional considerations for doing business in MS4 communities. Information will be presented in a newsletter format and posted as a PDF on the stormwater website. The newsletter will be promoted via a bulk postcard mailing with additional assistance from the CNY Home Builders and Remodelers of CNY. PDFs will be available for distribution at municipal buildings and websites.

B. Briefly summarize the observations that indicated the overall effectiveness of this Measurable Goal.

Anecdotal feedback from local contractors, designers and municipal representatives indicated the message was appropriately formatted and targeted. The CNY Home Builders Association requested permission to reproduce and distribute the newsletter in full and in part in various publications. Additional hard copies were distributed through the CNY Professional Stormwater Training Series and received positive feedback.

C. How many times was this observation measured or evaluated in this reporting period?

			1
--	--	--	---

(ex.: samples/participants/events)

D. Has your MS4 made progress toward this Measurable Goal during this reporting period?
 Yes No
E. Is your MS4 on schedule to meet the deadline set forth in the SWMPP?
 Yes No
F. Briefly summarize the stormwater activities planned to meet the goals of this MCM during the next reporting cycle (including an implementation schedule).

Content will be updated and the same promotional mailing will be done in advance of posting the Spring 2014 newsletter on the CNY Stormwater website. The newsletter will also be made available to the CNY Home Builders & Remodelers for use in whole or in part. MS4s will also receive a PDF newsletter for posting on individual municipal websites.

MS4 Annual Report Form

4. Evaluating Progress Toward Measurable Goals MCM 1

Use this page to report on your progress and project plans toward achieving measurable goals identified in your Stormwater Management Program Plan (SWMPP), including requirements in Part III.C.1. Submit additional pages as needed.

A. Briefly summarize the Measurable Goal identified in the SWMPP in this reporting period.

A "Stormwater Pollution Prevention Plan (SWMP) Review and Notice of Intent Update Workshop" will be in 2013. CNY RPDB will plan, publicize and conduct a dinner workshop for SWPPP reviewers including municipal planning boards and planning department staff, code enforcement officers and municipal engineers. The workshop will include a two-hour presentation designed to clarify and assist attendees in interpreting the information required on the new NOI form, plus a basic walk-through of the design spreadsheet.

B. Briefly summarize the observations that indicated the overall effectiveness of this Measurable Goal.

The July 20, 2013 workshop, held at the Liverpool Fire Hall in Liverpool, NY was attended by 36 municipal representatives. Feedback from attendees and DEC Region 7 staff were positive relative to the information presented (quality, usefulness, relevancy of information) and manner in which it was presented (simple, clear and concise). Discussion and questions during the 2.0 hour workshop showed a real desire to better understand the reasoning behind the changes made to the NOI and underlying need for information required in the spreadsheet. The workshop presentation was also available as a resource on the stormwater website.

C. How many times was this observation measured or evaluated in this reporting period?

			1
--	--	--	---

(ex.: samples/participants/events)

D. Has your MS4 made progress toward this Measurable Goal during this reporting period?

Yes No

E. Is your MS4 on schedule to meet the deadline set forth in the SWMPP?

Yes No

F. Briefly summarize the stormwater activities planned to meet the goals of this MCM during the next reporting cycle (including an implementation schedule).

A training workshop for Municipal Stormwater Program Coordinators will be held as a follow up to previous training conducted on Stormwater Management Plans (SWMP) development and implementation. The workshop will include a discussion of new methods for evaluating SWMPs, including the use of the Watershed Treatment Model (WTM), presentation of a revised form for effectiveness evaluation, long-term tracking of measurable goals, and preparing for a NYS DEC Audit. If the new MS4 Annual Report form is available at the time of the workshop, use of the new reporting process will be addressed in the workshop.

MS4 Annual Report Form

This report is being submitted for the reporting period ending March 9,

2	0	1	4
---	---	---	---

If submitting this form as part of a joint report on behalf of a coalition leave SPDES ID blank.

Name of MS4/Coalition

4. Evaluating Progress Toward Measurable Goals MCM 1

Use this page to report on your progress and project plans toward achieving measurable goals identified in your Stormwater Management Program Plan (SWMPP), including requirements in Part III.C.1. Submit additional pages as needed.

A. Briefly summarize the Measurable Goal identified in the SWMPP in this reporting period.

In place of holding a municipal training workshop targeting MCM6, information will continue to be posted on the CNY stormwater website and the need for future MCM6 trainings will be monitored and responded to appropriately throughout the 2013 - 14 permit year.

B. Briefly summarize the observations that indicated the overall effectiveness of this Measurable Goal.

Extensive information relative to municipal good housekeeping practices (type and frequency) currently employed by MS4s in the SUA was compiled through interviews, informal surveys and review of previous MS4 Annual Reports as part of the Water Treatment Modeling program to assess compliance with the no-net-increase of pollutant of concern discharges to impaired waterbody requirements. Informal discussions with MS4 representatives indicate that MS4s are largely and successfully implementing comprehensive municipal good housekeeping programs, but some MS4s may not be capturing the full extent of their total efforts on paper.

C. How many times was this observation measured or evaluated in this reporting period?

		2	2
--	--	---	---

(ex.: samples/participants/events)

D. Has your MS4 made progress toward this Measurable Goal during this reporting period?

Yes No

E. Is your MS4 on schedule to meet the deadline set forth in the SWMPP?

Yes No

F. Briefly summarize the stormwater activities planned to meet the goals of this MCM during the next reporting cycle (including an implementation schedule).

The data and information provided through WTM process, which ended in December 2013 will be assessed in detail to provide a clearer understanding of any gaps or underutilized practices that can be improved through additional training as the basis for identifying new training opportunities. Information and resources that generally support improved MCM6 activities will continue to be made available electronically.

MS4 Annual Report Form

This report is being submitted for the reporting period ending March 9,

4. Evaluating Progress Toward Measurable Goals MCM 1

Use this page to report on your progress and project plans toward achieving measurable goals identified in your Stormwater Management Program Plan (SWMPP), including requirements in Part III.C.1. Submit additional pages as needed.

A. Briefly summarize the Measurable Goal identified in the SWMPP in this reporting period.

Identify and build partnerships with local partners that advance education outreach and provided targeted materials to improve public awareness of stormwater management needs and best management practices.

B. Briefly summarize the observations that indicated the overall effectiveness of this Measurable Goal.

Agreements were initiated with central public libraries in Madison, Onondaga and Oswego Counties to distribute comprehensive and consistent stormwater literature at 38 branch libraries that serve MS4 communities within the Syracuse Urban Area. 4,330 fact sheets and brochures were distributed throughout the 2013 spring/summer stormwater season.

600 stormwater themed brochures were distributed in association with Madison, Onondaga and Oswego County Soil & Water Conservation District Tree Seedling Sale Distribution events in March 2013.

C. How many times was this observation measured or evaluated in this reporting period?

		4	1
--	--	---	---

(ex.: samples/participants/events)

D. Has your MS4 made progress toward this Measurable Goal during this reporting period?

Yes No

E. Is your MS4 on schedule to meet the deadline set forth in the SWMPP?

Yes No

F. Briefly summarize the stormwater activities planned to meet the goals of this MCM during the next reporting cycle (including an implementation schedule).

New materials will be similarly packaged and distributed to county public library branches in 2014. Complimentary educational materials will be provided to County SWCD offices for distribution at all events and facilities throughout 2014.

---	---	---	---	---	---	---	---	---

4. Evaluating Progress Toward Measurable Goals MCM 1

Use this page to report on your progress and project plans toward achieving measurable goals identified in your Stormwater Management Program Plan (SWMP), including requirements in Part III.C.1. Submit additional pages as needed.

A. Briefly summarize the Measurable Goal identified in the SWMP in this reporting period.

Secure exhibitor booth space and develop appropriate informational displays and handout materials. Efforts will be made to identify public events with reliably high attendance and complimentary objectives. Appropriately targeted materials and a stormwater display will be maintained and available for use at municipal events.

B. Briefly summarize the observations that indicated the overall effectiveness of this Measurable Goal.

Exhibitor activities included the CNY Home and Garden Show at the NYS Fairgrounds on March 14 - 17, 2013 (attendance 28,500), and the Westcott Street Cultural Fair on Sept. 15, 2013 (attendance 8,000). Approximately 2,132 informational handouts were distributed (lawn and garden care, scoop the poop, green infrastructure, make a personal commitment to clean water, new phosphorus fertilizer law, the CNY Stormwater Coalition, miscellaneous bookmarks, swimming pool maintenance, resources contact sheet). An additional 53 people signed up to receive the electronic newsletter "Gardens and Gutters". Although attendance at the home show was significantly higher than the Westcott fair, interest in the message was significantly greater at the smaller venue.

C. How many times was this observation measured or evaluated in this reporting period?

			2
--	--	--	---

(ex.: samples/participants/events)

D. Has your MS4 made progress toward this Measurable Goal during this reporting period?

Yes No

E. Is your MS4 on schedule to meet the deadline set forth in the SWMP?

Yes No

F. Briefly summarize the stormwater activities planned to meet the goals of this MCM during the next reporting cycle (including an implementation schedule).

The CNY Stormwater Coalition Booth will be set up and staffed at 2 public events in 2014: locations to be determined. Materials will be updated and replaced as needed to stay current and relevant to SUA requirements.

MS4 Annual Report Form

This report is being submitted for the reporting period ending March 9,

2	0	1	4
---	---	---	---

If submitting this form as part of a joint report on behalf of a coalition leave SPDES ID blank.

4. Evaluating Progress Toward Measurable Goals MCM 1

Use this page to report on your progress and project plans toward achieving measurable goals identified in your Stormwater Management Program Plan (SWMPP), including requirements in Part III.C.1. Submit additional pages as needed.

A. Briefly summarize the Measurable Goal identified in the SWMPP in this reporting period.

Syracuse Post Standard Stormwater Pullout: Develop a 4-page pullout to be distributed in the main section of the daily Syracuse Post Standard newspaper that focuses on stormwater processes, impacts, issues of concern, primary pollutants of concern, and citizen generated solutions.

B. Briefly summarize the observations that indicated the overall effectiveness of this Measurable Goal.

The pullout was published on April 16, 2013. As reported by the Post Standard, home delivery and point of sale editions sold that day totaled 200,000.

C. How many times was this observation measured or evaluated in this reporting period?

			1
--	--	--	---

(ex.: samples/participants/events)

D. Has your MS4 made progress toward this Measurable Goal during this reporting period?

Yes No

E. Is your MS4 on schedule to meet the deadline set forth in the SWMPP?

Yes No

F. Briefly summarize the stormwater activities planned to meet the goals of this MCM during the next reporting cycle (including an implementation schedule).

A similar 4-page pullout will be published in the Syracuse Post Standard on Tuesday, April 22, 2014. The pullout will also be available electronically on E-Post Standard and the CNY stormwater website. The publication will be distributed in PDF format for inclusion on municipal websites or reprint for hard copy distribution at municipal buildings and public events.

12. Evaluating Progress Toward Measurable Goals MCM 3

Use this page to report on your progress and project plans toward achieving measurable goals identified in your Stormwater Management Program Plan (SWMPP), including requirements in Part III.C.1. Submit additional pages as needed.

A. Briefly summarize the Measurable Goal identified in the SWMPP in this reporting period.

- 3 outfalls were inspected during this Report period.

B. Briefly summarize the observations that indicated the overall effectiveness of this Measurable Goal.

- No illicit discharges were found during the outfall inspections.

C. How many times was this observation measured or evaluated in this reporting period?

			1
--	--	--	---

(ex.: samples/participants/events)

D. Has your MS4 made progress toward this measurable goal during this reporting period?

Yes No

E. Is your MS4 on schedule to meet the deadline set forth in the SWMPP?

Yes No

F. Briefly summarize the stormwater activities planned to meet the goals of this MCM during the next reporting cycle (including an implementation schedule).

- Continue to inspect outfalls.
- Complete Village project to repair/replace storm and sanitary sewers to reduce flows to WWTP.

Minimum Control Measures 4 and 5.
Construction Site and Post-Construction Control

The information in this section is being reported (check one):

- On behalf of an individual MS4
- On behalf of a coalition

How many MS4s contributed to this report?

--	--	--

- 1a. Has each MS4 contributing to this report adopted a law, ordinance or other regulatory mechanism that provides equivalent protection to the NYS SPDES General Permit for Stormwater Discharges from Construction Activities? Yes No
- 1b. Has each Town, City and/or Village contributing to this report documented that the law is equivalent to a NYSDEC Sample Local Law for Stormwater Management and Erosion and Sediment Control through either an attorney certification or using the NYSDEC Gap Analysis Workbook? Yes No NT

If Yes, Towns, Cities and Villages provide date of equivalent NYS Sample Local Law.
 09/2004 03/2006 NT

- 2. Does your MS4/Coalition have a SWPPP review procedure in place? Yes No
- 3. How many Construction Stormwater Pollution Prevention Plans (SWPPPs) have been reviewed in this reporting period?

		0
--	--	---
- 4. Does your MS4/Coalition have a mechanism for receipt and consideration of public comments related to construction SWPPPs? Yes No NT
If Yes, how many public comments were received during this reporting period?

		0
--	--	---
- 5. Does your MS4/Coalition provide education and training for contractors about the local SWPPP process? Yes No

6. Identify which of the following types of enforcement actions you used during the reporting period for construction activities, indicate the number of actions, or note those for which you do not have authority:

- Notices of Violation #

--	--	--	--	--

 ○ No Authority
- Stop Work Orders #

Minimum Control Measure 4. Construction Site Stormwater Runoff Control

The information in this section is being reported (check one):

- On behalf of an individual MS4
- On behalf of a coalition

How many MS4s contributed to this report?

--	--	--

1. How many construction projects have been authorized for disturbances of one acre or more during this reporting period?

		0
--	--	---

2. How many construction projects disturbing at least one acre were active in your jurisdiction during this reporting period?

		0
--	--	---

3. What percent of active construction sites were inspected during this reporting period? NT

--	--	--

 %

4. What percent of active construction sites were inspected more than once? NT

--	--	--

 %

5. Do all inspectors working on behalf of the MS4s contributing to this report use the NYS Construction Stormwater Inspection Manual? Yes No NT

6. Does your MS4/Coalition provide public access to Stormwater Pollution Prevention Plans (SWPPPs) of construction projects that are subject to MS4 review and approval? Yes No NT

If your MS4 is Non-Traditional, are SWPPPs of construction projects made available for public review? Yes No

If Yes, use the following page to identify location(s) where SWPPPs can be accessed.

Minimum Control Measure 6. Stormwater Management for Municipal Operations

The information in this section is being reported (check one):

- On behalf of an individual MS4
- On behalf of a coalition

How many MS4s contributed to this report?

--	--	--

1. Choose/list each municipal operation/facility that contributes or may potentially contribute Pollutants of Concern to the MS4 system. For each operation/facility indicate whether the operation/facility has been addressed in the MS4's/Coalition's Stormwater Management Program(SWMP) Plan and whether a self-assessment has been performed during the reporting period. A self-assessment is performed to: 1) determine the sources of pollutants potentially generated by the permittee's operations and facilities; 2) evaluate the effectiveness of existing programs and 3) identify the municipal operations and facilities that will be addressed by the pollution prevention and good housekeeping program, if it's not done already.

<u>Operation/Activity/Facility</u>	<u>Self-Assessment</u> <u>Operation/Activity/Facility</u> <u>performed within the past 3</u> <u>years?</u>
