Departments

Chief Nerber asked when the no parking on streets would be changed to the new time. Administrator Lynch said they will probably be up tomorrow. Chief said they did their deliveries to the seniors last week and it was a lot of fun.

Administrator Lynch reported that he received a call from a representative from Dollar General who wants to purchase property on Main Street that's zoned residential, around this property are businesses. Attorney Schiano said that the developer along with legal counsel should come before the board. Lynch received a building permit for the hookup to the sewer main it is not actually a building permit issue, therefore it should get rejected. Attorney Schiano advised Lynch to have Eric Carciofolo and his attorney appear before the board to review his application and make a request pursuant to the village code, we can grant or deny the request.

Trustee Borchik asked about the grant for the sidewalk/crosswalks. Lynch said the conference call is on January 5th at 1:00pm if anyone would like to join in.
