**Village of Phoenix Flag Development Public Input Form**

(Please return no later than October 16, 2023)

Thank you for your interest in submitting ideas for what will be the Village of Phoenix official flag. The Mayor and Village Board think it is important to have input and ideas from residents as we develop the new symbol for the Village and all we represent. The board will review the submissions, begin to form a theme and ultimately choose the final design through a consultation process and discussion with our team.

Some things to keep in mind. Flag designs are best kept simple without complex drawing or shapes. When adding color, it is best to have fewer colors than too many. Also, keep in mind how the flag will look when displayed. Other than that, have fun and be as creative as you wish. We do expect to have a lot of input and different ideas on this and as much as we would like to incorporate all ideas that is not possible, but be assured all ideas will be reviewed.

Please complete and return to the Village Clerks office by October 16<sup>th</sup>.
